

**Message of the Sheikh Muhamed Khalil, religious guide of Muslim Beneficent Society of Foz do Iguaçu:**

In the name of God the Clement and Merciful.

Distinguishe bishops, priests, sheiks and pastors, social, religious and political authorities, ladies and gentlemen here present, the peace be with you all!

This is a full moment of spirituality and fraternity to honor a great Lady for the human history.

Saint Mary that registered the most beautiful demonstration of faith becoming the defender of purity, truth and of the divine message and of the words of God.

She is and always will be the messenger and God, and the word messenger gathers us in the same direction, as Christians and Muslims.

Mary faced with her knowledge and belief all the attempts to blaspheming and devaluating her, until she became a perfect example for children and adults, for men and women, with the same strength for Muslims and Christians of the world.

The only Lady that was highlighted in the Divine Writings of the Sacred Koran and her blessings and teachings continue to be food for the spiritual, social and moral development for us who believe in Mary.

The Virgin Mary was created under the dedication of God, since she was generated until her departure; she is the peace herself and those who love get closer to her and she brings protection against danger to those that follow the practice of her wisdom.

To end this talk, I wish to all the presents success in the path to learn more and know more these divine examples that were chosen by Highest God.

May the peace be with you all!
